

SUPPORT LEVELS

Thank you for supporting the Fresenius Medical Care Foundation as we honor our leader and visionary, Bill Valle, Chief Executive Officer of Fresenius Medical Care North America and board chair of Fresenius Medical Care Foundation.

To fulfill our mission and ensure that patients in need of a living donor transplant quickly get matched to a known or altruistic donor, we are working with Donate Life America to develop and distribute new living donor testing kits. With your support, we will Give Life Back to thousands of people currently on the waiting list.
